

JUNE news FROM INCHICORE

June was a dynamic month filled with diverse themes and activities. We embarked on explorations of holidays, beaches, and healthy eating, enriching our understanding of different cultures. The month also featured engaging gymnastics classes, an exciting farm trip, and a memorable graduation show for the Rosebuds room. This blend of learning, celebration, and adventure made June truly special at our school.

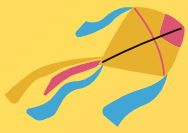

LILIES-WOBBLERS ROOM

The children in the Lilies room had an exciting and enriching month. They enjoyed baking cookies in class and spending wonderful times on the playground. The themes for June revolved around holidays, beaches, healthy eating, and culture, offering a blend of thematic exploration and hands-on activities.

LOTUS- TODDLERS ROOM

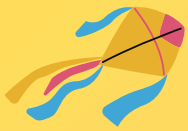

June was full of exploration and fun for our precious Lotuses! The children delighted in messy play during their sensorial play sessions and created holiday wish lists. During healthy eating week, they engaged with real food, enhancing their learning experience. The themes for June focused on holidays, beaches, healthy eating, and culture, offering a perfect blend of exploration and hands-on activities.

ROSEBUDS-ECCE ROOM

In the Rosebuds room, June was filled with diverse learning experiences and creative activities focused on holidays, beaches, healthy eating, and culture. The children crafted swimsuits, designed holiday destinations with playdough, made snacks, and hosted tea parties. Their interest in superheroes inspired themed activities, including superhero spinners and playdough creations. Free play involved building viaducts with trains and enjoying outdoor reading sessions. Recycling discussions led to papier-mâché sensory play. The month culminated in a memorable graduation show on June 28, 2024, where children performed songs, received hats, certificates, goodie bags, and picture frames, and celebrated their progress with parents over refreshments and displayed scrapbooks.

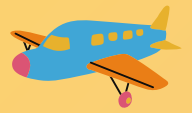

ORCHIDS- AFTERSCHOOL ROOM

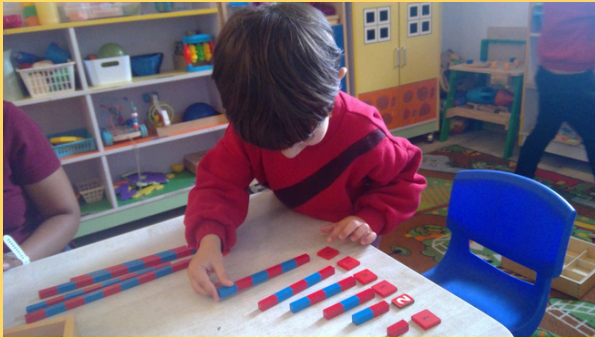

In June, our students explored beach themes by creating beach replicas using paper plates, sand, cupcake covers, and paint, proudly showcasing their work. We sparked their interest in animals with activities like crafting paper plate monkeys, learning about milking cows, and studying animal body parts. The children also pretended to be firefighters, enhancing their fire drill awareness, and engaged in writing practice to improve their pencil grip. Additionally, a healthy eating activity taught them about healthy lifestyles as they sorted toy foods into healthy and unhealthy categories and discussed their choices.

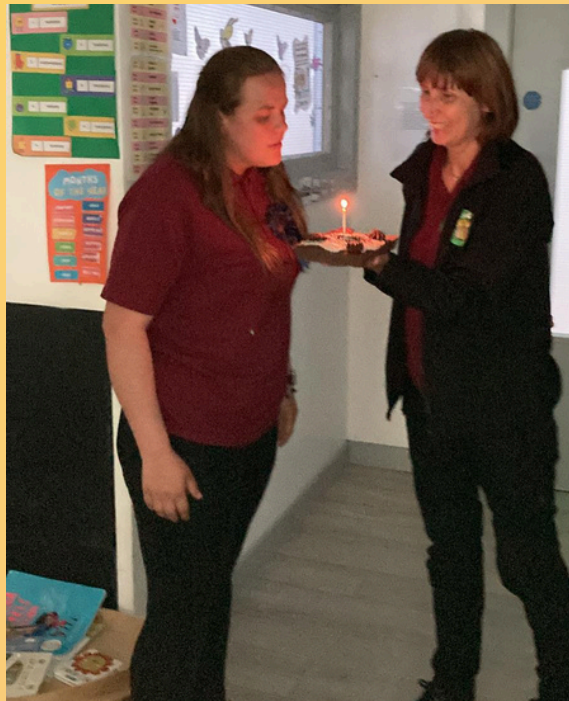

BLUEBELLS- SWEETPEAS- DAFFODILS ASD ROOMS

In the ASD classes, June was an enriching month filled with various themes and exciting activities. The children learned about holidays, beaches, healthy eating, and culture. They also engaged in Montessori activities, which significantly improved their fine motor and practical life skills, blending thematic exploration with skill development.

GREETINGS AND CELEBRATIONS CORNER

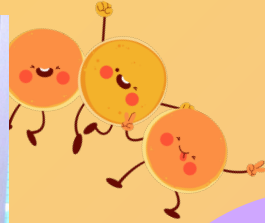

🎂 HAPPY BIRTHDAY SONATA 🎂

Wishing a heartfelt birthday blessing to our dear TODDLERS TEACHER
SONATA!

RETROSPECTIVE- GRADUATION MONTH!

RETROSPECTIVE- FARM TRIP

The children had a fantastic time exploring the farm, where they got to see animals up close and learn about farm life.

RETROSPECTIVE- GYMNASTICS CLASSES

In gymnastics class, the children had a blast practicing a range of activities including balancing on beams, jumping on trampolines, and tumbling on mats. They developed their coordination, strength, and confidence through fun exercises and challenges designed to improve their physical skills.
