

## Limerick Centre March Newsletter

Hello everyone,

This month for our **Cherry Blossom** class we were learning all about Birds making art activities, going on bird walks, and making bird feeders. We celebrated St. Patrick's Day, dancing to Irish songs, making shamrocks and decorating flags. We also celebrated Easter looking at easter stories, making easter bunnies and other easter art. We enjoyed lots of outdoor play and sensory fun!

For our **Heather class** this month we also celebrated St. Patricks Day making monster cloud dough, shamrocks and we also decorated flags. We were learning about Easter, reading easter stories, decorating easter eggs and having an easter egg hunt. We had more messy play paint with some tin foil and had lots of fun!
