

MAY NEWSLETTER

WELCOME TO OUR MAY EDITION OF THE MONTHLY NEWSLETTER! WHILE MANY OF US ARE BUSY IN CRÈCHE GETTING FOR THE SUMMER, SUMMER TIMES MARK THE BEGINNING OF SUMMERTIME FOR MANY. WE WERE DELIGHTED TO SEE NEW FACES AND WELCOME BACK FAMILIAR ONES. THE WEATHER IS GETTING WARMER BUT THERE ARE STILL COLD TONES OF SPRING LINGERING IN THE AIR!

WOBLER ROOM

In May the wobble class, we had so fun month. Throughout the month we plan three different themes. These themes were made up of food art, shapes, and summer. The artwork we did was painting with baby food, we talked about different shapes and painted each shape e.g. triangles, squares, and circles, and for the theme summer, we made sandals and did some water play! We can't wait to show you what we'll get up to next month!

TODDLER ROOM

This month they completed fun activities. we planned 4 lesson plans which were bugs, summer, ocean and music, we made bugs, ice pops, and played outside. we also made surfboards, painted the ocean and had water play with sea animals. next week the children will have fun making their instruments using materials from the classroom. toddlers enjoy messy activities which include painting and sensory play. we can't wait to show you all!

ECCE ROOM

Our Montessori ECCE Room was busy learning about Bugs and Insects during May. We learned about different animals and their body and habitats. We also read the "Hungry Caterpillar" book and did some activities about the story. We finished our week designing a ladybug. This month we also learned about emotions. We had the opportunity to discuss how each child feels in different situations and strategies that they can use in different situations. "The Colour Monster" book helped us a lot! We also made calm bottles for our room and a monster with playdough.

Another theme during May was "Pets". We learned about different pets like dogs, cats, birds, turtles, rabbits, etc. and their characteristics. We touched a feather and a whisker!! We were very excited when at circle time, Maria showed us a transport cage full of things for cats, such as a collar, bowl, food and hairbrush. We read "The Rainbow Fish", and we talked about the differences that each one has and that makes us special.

Lavender and Blossom Room

This month the Lavender and Blossom room looked at the themes: pets, summer and community helpers. we learned which of our friends had pets at home, played with sand for summer and made our own fire truck for our community helpers. We got some lovely weather and got to spend a lot of time in the outside in the sun. we had so fun!
