LILIS WOBBLER ROOM

We learned about autumn's colours, smells, shapes, and flavours at the wobblers in October. We learned how to hold scissors or make rice muffins. We decorated the door and painted the pumpkin. We celebrated Halloween by putting on costumes and singing songs.

LOTUS TODDLER ROOM

ASD DAFFODILS, BLUEBELLS AND SWEETPEAS ROOM

There is never a dull moment with us. We constantly practice listening carefully, cleaning up after playing and exercising with autumn songs that help us understand this season. We love painting, so we had no problem decorating our door with "bloody feet" and beautiful pumpkins. Our pumpkin is gorgeous. We all dressed up on Tuesday and celebrated this holiday with a dance.

There was a lot of fun in our class, thanks to which we had the opportunity to gain experience with the unusual colours of autumn, accompanied by relaxing music and the support of friends. Shapes, measures, and numbers are not scary for us. Painting pumpkins, dressing up, cutting out spiders, counting witches' hats or having a mummy on the door is trivial for us.

ROSEBUDS ECCE/SENIOR TODDLER ROOM

We always have our hands full with work. We learned shapes and numbers by cutting

ORCHIDS AFTERSCHOOL ROOM

We're not afraid of having fun :). Our imagination helps us create parrots from

out autumn leaves. We know they can be small and large, but they have a range of colours that we can name. We designed clothes for our favourite dolls and discussed our next projects over delicious meals with friends in the kitchen. We love spending time actively, so we jumped on our bikes and learned the rules of the road in good company. Our adventure with pumpkins and costumes is a "TERRIBLE SECRET", but decorating the classroom and doors is pure pleasure. We love our class.

autumn leaves collected before school. We counted chestnuts and acorns. We compared their sizes and wondered what game we could make with them, and we decided that tic-tac-toe was the best, or rather acorn and chestnut. We had a lot of fun cutting out door decorations and making sprites. In our opinion, our pumpkin is the prettiest.

SAVE THE DATE

- From Oct 16, teachers of all grades have PT according to previous arrangements.
- On Oct 27, all classes will carve or decorate pumpkins.
- Oct 27th is the last day of the ASD and ECCE classes before the midterm break, and they have a party wearing "scary costumes".
- On Oct 31, the remaining classes celebrate Halloween.
